2019. 30 YEARS OF JEAN MONNET ACTIVITIES: EU STUDIES IN THE DIGITAL AGE. The conference focus on the challenges of digitalisation within education and how EU studies are affected by it.

The Closing Conference of the 30th anniversary of the Jean Monnet Activities will follow the Kick-off meeting organised by the Education, Audiovisual and Culture Executive Agency (EACEA) for coordinators of newly selected Jean Monnet beneficiaries. The topic of the conference – “EU studies in the digital age” has been selected as one of the main priorities of the new Commission is to support the development of digital competences through education.

The discussions will focus on the challenges of digitalisation within education:

- Teaching Europe in the digital age,
- Jean Monnet projects on digital research,
- The European Commission’s Digital Education Action Plan and more in general
- The socio-economic and legal implications of digitalisation.

(Brussels, European Commission, European Commission).

Additional information

I have served as an expert of the Education, Audiovisual and Culture Executive Agency (EACEA) of the European Commission in Key Activity 2 - Languages (EACEA/2007) as well as in the framework of the management of the Community programmes in the fields of education, audiovisual, culture, youth and citizenship.

I have participated in the project ESPA2 (LEONARDO DA VINCI-TOI 2009-1-PL1-LEO05-05043, Lifelong Learning Programme, in 2009-2012): The project created materials and tools for learning Spanish which would simultaneously help implement business purposes. Project ESPA 2.0. implements all purposes of Project ESPA, and, furthermore, transfers the results of the project to new countries of Middle-East Europe (Slovakia, Romania, Bulgaria, Latvia, Lithuania, Estonia, the Czech Republic, Hungary, Poland). My role in the project: Team leader for Estonia, Lithuania and Latvia. Further
